1. Programme Updates in 2019

1.1 What are the major updates in the 2019 version?

The programme structure and individual module syllabus of CB (Stage I) and CB (Stage II) have been enhanced in 2019 to better address the recent market developments and practices as well as regulatory requirements. To provide a clearer indication of the learning engagement and to allow more flexibility in choosing the learning pathway to attain CB qualifications, the CB programmes now utilise a credit system where the credits are benchmarked against the Hong Kong Qualifications Framework (QF) Credits. More information can be found on the [HKIB website](#).

Updates in 2019 included the followings and the details can be found in the related FAQ.

- Experienced banking practitioners or with higher qualification are eligible to apply direct entry to Certified Banker (Stage II)
- Experienced banking practitioners with at least 2 ECF Certificates (QF Level 5) awarded or grandfathered by a recognised institute are eligible to apply for direct entry to Certified Banker stage.
- Exemption ceiling for CB (Stage I) is increased from 50% to 75%.
- New elective module “ECF on AML/CFT (Professional)” is added in the Professional Diploma for Certified Banker. It can be exempted by using the Professional Certificate for ECF on Anti-Money Laundering and Counter-Financing of Terrorism (AML/ CFT) or the respective grandfathered certificate after passing the written assessment developed by the HKIB.
- New elective module “ECF on Cybersecurity” is added in the Advanced Diploma for Certified Banker. It can be exempted by using the Advanced Certificate for ECF on Cybersecurity.

2. Entrance Requirement Update

2.1 In what way can I directly enrol for CB (Stage II) without going through CB (Stage I) ?

In view of batches of banking practitioners with higher attainment of academic qualifications and/or richer working experience who may be more interested to proceed to subjects of a relatively higher level or wider scope that better suits their needs, the “Direct Entry to CB (Stage II)” initiative was launched in the early of 2018. Candidates of CB (Stage II) need to be an HKIB Individual Member and fulfill one of the following entry requirements:

- The Advanced Diploma for Certified Banker offered by HKIB; OR
- A Bachelor's Degree in a banking and finance related discipline awarded by a recognised university plus one year of banking and finance work experience; OR
- A relevant professional qualification plus one year of banking and finance work experience; OR
- Mature applicants with at least ten years of banking and finance work experience.

To ensure that all learners would be equipped with the core value of the industry, applicants who do not possess a pass in the module “Professional Ethics and Compliance” under CB (Stage I) or module(s) of the same nature at HKIB are required to first sign up for the training and obtain a pass in the corresponding examination at HKIB.

2.2 In what way can I enrol for CB stage without going through CB (Stage I) and CB (Stage II)?

With effect on 1st January 2019, banking practitioners who meet the following requirements are eligible to apply for the direct entry to CB stage.

- Possess at least 2 ECF Certificates (QF Level 5) awarded or grandfathered by a recognised institute and fulfilled the admission requirement for “Professional Diploma Programme for Certified Banker”.
- Candidates of CB need to be an HKIB Individual Member.

Applicants who do not possess a pass in the module “Professional Ethics and Compliance” under CB (Stage I) or module(s) of the same nature at HKIB are required to first sign up for the training and obtain a pass in the corresponding examination at HKIB.

2.3 Is a full-time student eligible for the CB (Stage I) programme?

Applications from full-time students for the Banking and Finance Diploma or Degree programmes will be considered. However, the CB (Stage I) designation will only be awarded to eligible candidates after they have fulfilled the required work experience.
