HKIB Executive Luncheon Series

Blueprint for Gen-AI – Infrastructure, Governance, and Growth Strategies

Sponsored by:

HKIB The Hong Kong
Institute of Bankers
香港銀行學會

Overview

An exclusive luncheon tailored for senior IT executives, where we will explore the transformative potential of Generative AI (Gen-AI). This high-level gathering will bring together thought leaders and decision-makers to discuss strategic insights, cutting-edge applications, and best practices for leveraging AI responsibly and effectively. Attendees will gain in-depth perspectives on the latest advancements in Gen-AI infrastructure, innovation, and its practical applications in the financial services industry.

Agenda

- How organisations can build robust infrastructure to support the scalability of AI-driven initiatives.
- AI governance to ensure ethical, compliant, and transparent deployment of generative AI technologies.
- Unlocking the growth potential of Gen-AI while balancing innovation with operational excellence.
- Areas of High Potential for Harnessing AI

Who Should Attend?

- Chief Information Officer (CIO), Chief Technology Officer (CTO), Chief Data Officer (CDO)
- Head of IT, Innovation, AI, and more
